 - Customers without a Daily Pickup**
We recommend dropping off your live shipment at a FedEx Office in the afternoon. A FedEx driver will pick it up at the end of the day.
Your package should be all taped up and ready to ship, and the prepaid shipping label should be securely fastened to the top.
We suggest calling ahead to verify how late you can drop off your package.
 - Customers with a Daily Pickup**
Your driver will pickup your shipment(s) as usual.
